## COPA & FERPA

### THE CHILDREN'S ONLINE PROTECTION ACT (COPA) POLICY ADOPTED TO CONFORM TO FEDERAL STATUTE

The Children's Online Protection Act (herein-after COPA) details what the AmeriSchools Academy (herein-after Academy) as a website operator is to include in a privacy policy that protects the health and safety of children. The following policy subsections mirror the COPA statute provision.

### COLLECTION OF PERSONAL INFORMATION

Students and individual family members may be asked to provide personal information at any time in using online services provided by the Academy. Personal information may be requested from students that currently attend, have previously attended or are interested in website services. The collection of personal information purposely directs attention relevant to academic and social activities sponsored by the Academy, including auditing and data analysis functions.

### OPT-OUT

Individuals participating in website services are to contact the Business Office at any time to update or change personal information or opt-out of website participation.

### COMMUNITY PRIVACY

As members of the learning community of the Academy, personal information may be shared with other community members. The online and print directories are examples of points of contact. Athletic and club mailing lists are additional examples. Such information is proprietary for the Academy, not to be utilized for personal gain, sold or transferred to a third party and not to be used beyond the context of Academy related functions. As a means to fully comply with COPA provisions, all communications by members of the learning community are to be treated as confidential.

### DISCLOSURE OF PERSONAL INFORMATION TO THIRD PARTIES

The Board for the Academy clearly adheres to COPA and a parallel document referenced as Family Educational Rights and Privacy Acts (FERPA). Each document contributes to the protection of personal information and the dissemination of such information permissible by law. Documents containing personal information are exemplified as registration materials, health form documents, academic assignments as well as third-party vendors selectively providing services requested by a parent or an Academy staff member. Online website operators must clearly abide by the COPA and FERPA statutes. Each document clearly mandates legitimate educational interests and the protection of personal information of all children attending the academy.

As a means to fully comply with COPA provisions, the Board requires an op-in permission document for all students under thirteen years of age participating in online instruction. Parent permission is to be instituted in an appropriate form as part of the registration packets utilized to enroll students. Reasonable accommodations are to be instituted for any student that is not permitted to participate in a specific online initiative. In this circumstance, the parent is to work directly with the teacher as a solution to the parent's choice.

### ANSWERS FOR QUESTIONS CONCERNING COPA AND FERPA STATUTES

Answers relating to federal statutes protecting personal information are to be addressed by contacting the Business Office for the AmeriSchools Academy, 1150 North Country Club Road, Suite 100, Tucson, AZ 85716, phone number 1-520-296-1100 and e-mail address: dkidd@amerischools.org.

**Parent/Guardian must sign the Parent Signature Page before students online computer instruction.**

## Attendance Policy

### Admission, Placement and Attendance

Admission and placement policies for students are fully developed in the Policy Handbook. Please reference this document for a complete reading of these policies, therein referenced for accuracy, communicating admission requirements and placement of students.

**I. Admissions**

- Admission for each student is non-discriminatory regardless of an individual's condition or ability.
- Admission to the Academy is prescribed by the statute, A.R.S. §15-184, which includes:
  (1) submitting an application according to defined capacity limits prior to the application deadline; and
  (2) meeting the age requirement (age 5 prior to Sept 1st).
- After the deadline for admission, students are to be placed on a waiting list in chronological order. Wait-listed applicants numbered in excess of capacity limits are to be chosen by lottery for admission during the first week following Labor Day recess.

**II. Placement**

Capacity Limits

- Capacity limits are set annually by the Chief Executive Officer or designee for each site prior to the start of each academic year. These limits are controlled by the instructional needs of students, providing direction for the non-graded academic programs. (See application deadline above.)

Placement

- Placement in each academic program, class, grade level or building occupied by students with varying instructional needs determines capacity limits. Successful placement directly relates to high standards for academic and behaviors of students.

**III. Attendance**

- The law requires children between the ages of 6 and 16 to attend school during the hours a school is in session. Attendance is mandatory, being necessary for instruction and achievement as determined by the education standards in Arizona.
- By law, Arizona Revised Statute §15-803, excessive absences are those that exceed 10% of the attendance days for instruction. Students under the age of 16 may ONLY be withdrawn from school after ten consecutive unexcused absences from school.

**Parent/Guardian must sign Parent Signature Page that you have read and understand Policy.**

Homeless Education

# The Educational Rights of Homeless Children and Youths

**The LEA** shall provide an educational environment that treats all students with dignity and respect. Every student experiencing homelessness shall have access to the same free and appropriate educational opportunities as students who are not homeless. This commitment to the educational rights of children, youth, and unaccompanied youth experiencing homelessness applies to all services, programs, and activities provided or made available by the LEA.

**McKinney-Vento Definition of Homeless:**

***The term "homeless children and youth"— means individuals who lack a fixed, regular, and adequate nighttime residence*** ***[42 U.S.C. § 11434a(2)]***.

A student may be considered eligible for services as a "Homeless Child or Youth" under the McKinney-Vento Homeless Assistance Act if presently living in one of the following situations:

- Sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason,
- Living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations,

  Living in emergency or transitional shelters; or are abandoned in hospitals,
- Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings,

  Living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings, or
- Is a migratory child who qualifies as homeless for the purposes of this subtitle because the children are living in circumstances described above.

To remove educational barriers for children and youths experiencing homelessness, the McKinney-Vento Homeless Assistance Act mandates the following:

**Immediate Enrollment**: Documentation and immunization records cannot serve as a barrier to the enrollment in school [42 U.S.C. §11432(g)(3)(C)].

**School Selection and Maintained Enrollment**: McKinney-Vento eligible students have a right to select from the options outlined below. Students may remain enrolled in their selected schools for the duration of homelessness, and until the end of the academic year upon which they are permanently housed or enroll the child or youth in any public school that non-homeless students who live in the attendance area in which the child or youth is living are eligible to attend [42 U.S.C. §§11432(g)(3)(A); (g)(3)(B); (g)(3)(I)(i)].

| School of Origin | School of Residency |
|---|---|
| The school the student attended when permanently housed | The school in the attendance area in which the student currently resides |
| The school in which the student was last enrolled | |

**Transportation Services:** McKinney-Vento eligible students attending their School of Origin have a right to transportation to and from the School of Origin [42 U.S.C. §11432(g)(1)(J)(iii)].

**Participation in Programs:** McKinney-Vento eligible students are guaranteed the right to services comparable to services offered to other students in the school [42 U.S.C. §§11432(g)(4); (g)(6)(iii)].

**Unaccompanied Youth Experiencing Homelessness:** McKinney-Vento eligible students are guaranteed the right to immediate enrollment without proof of guardianship [42 U.S.C. §1432(g)(1)(H)(iv)].

**Access to Extracurricular Activities:** Removal of barriers to accessing academic and extracurricular activities for homeless students who meet relevant eligibility criteria [42 U.S.C. §11432(g)(1)(F)(iii)].

**Dispute Resolution**: If you disagree with school officials about enrollment, transportation, or fair treatment of a homeless child or youth, you may file a dispute with the school district by contacting the McKinney-Vento Homeless Liaison within seven (7) business days of receiving the written eligibility determination notification [42 U.S.C. §11432(g)(3)(E)].

**Appointment of a McKinney-Vento Homeless Liaison:** The McKinney-Vento Homeless Assistance Act mandates the appointment of a local Homeless Liaison in every school district or local education agency (LEA) to ensure that homeless children and youth are enrolled in and have a full and equal opportunity to succeed in school [42 U.S.C. §§11432(g)(1)(J)(ii); (g)(6)(A)].
